SULLIVAN TIRE DISTRIBUTION CENTER RIBBON CUTTING AND TOUR

Taunton Mayor, town officials to attend opening of 200,000-square-foot facility

TAUNTON (April 22, 2015)—Sullivan Tire and Auto Service will celebrate the official opening of its 200,000-square-foot warehouse distribution center in Taunton, MA with a ribbon-cutting and guided tour of the facility on Tuesday, April 28th from 2:00-4:00pm. Taunton Mayor Thomas Hoye and other city officials will be in attendance for the event.

Located within the Myles Standish Industrial Park, the newly constructed 30-bay facility houses over 140,000 tires and employs more than 100 Sullivan Tire personnel who work within the call center and distribution, customer service, and purchasing departments. The distribution center features increased storage and material handling capabilities, as well as a state-of-the-art warehouse management system that will help sustain the company's growth plans.

"We are thrilled that Sullivan Tire has decided to call Taunton its home," said Taunton Mayor Thomas Hoye. "We congratulate them on their decision, and we look forward to our continued community partnership."

The construction of the new Sullivan Tire Distribution Center is a result of an upcoming expansion throughout the New England region and will allow the company to consolidate existing warehouses in West Bridgewater and Brockton, MA.

About Sullivan Tire

Sullivan Tire is a locally owned, family business started by Robert J. Sullivan in 1955. The foundation on which Robert J. Sullivan started Sullivan Tire was "treat everyone, customers and fellow employees, as you would a member of your family." Now, sixty years later, the tradition continues. Today Sullivan Tire is New England's home for automotive care, with 67 full service auto repair locations and 15 Commercial Truck Tire Centers throughout Massachusetts, New Hampshire, Connecticut, Rhode Island and Maine.
